

# PANTHER SENTINEL

Volume XX

Salinas, California, Friday, October 13, 1950

Number 4

— Photo by Lew Patterson

Forming the official emblem of Hartnell College, the Block "H," are ten of the campus women who will vie for honors in the Homecoming queen contest. The above girls are the only contestants who appeared at the time the picture was taken. In the vertical column of the "H" are, bottom to top, Ida Garcia, Charlene Gustaveson, Lois Lyons, and Ruby Bennett; horizontally across are Peggy Maneely and Deon Dyer; right column, top to bottom, are Jennie Swank, Lucy Papac, Sally MaAnaney, and Phyllis Butters. Not present at the appointed time set for the picture were Diane Amyx, Phyllis Kulich, Josie Tatti, June Glanville, and Wanda Beckham.

## Sophs Rack Frosh To Win Field Day

The sophomore class went all out this year and won every event but two during Wednesday's Field Day. The freshman class won the mud-hole fight and the women's tennis tournament by a default.

Events and classes that won the events and the points given for the events follow:

Wheelbarrow race, sophomore, 30; softball, sophomore women, 50; softball, sophomore men, 50; volleyball, sophomore women, 50; volleyball, sophomore men, 50; touch football (two games were played), game number 1, sophomore, 50; game number 2, sophomores, 50; table tennis, sophomores, 15; archery, sophomore women, 15; archery, sophomore men, 15; mud-hole, freshmen, 30; tennis, freshman women, 15; tennis, tie, 7½ each.

Total points were: sophomores, 457½, and freshmen, 92½.

Whiskerino finals were in favor of the sophomore class. Bud Chase won the award for the blackest beard; Lew Patterson won for the most original design; and Jere Collins, a second semester freshman, won the booby prize.

Ribbonero finals were also in favor of the sophomore class. Barbara Johnson won the prize for the largest ribbon and Gloria Rosen won the prize for the prettiest ribbon.

Following the activities the annual chicken supper was held with over 500 persons enjoying the free meal.

## Policemen at All Dances Required By Commission

Action taken by the student commission last week will make it mandatory for all clubs to provide a uniformed policeman at dances to be held in the future. The decision was brought about because of the action of students in breaking state laws concerning transportation of intoxicating beverages onto the college campus.

At both college dances held this fall no poor reports were received concerning students' conduct, but there was evidence that students had been transporting alcoholic drinks onto the campus.

In order to put an end to the poor treatment given the set of lamps and cords owned by the student body, the commission also moved to set a \$5 deposit for the lamps which clubs must pay before they could use them. This deposit will cover misplacement or damage to the lamps by the club which uses them for dances or other events.

Lamps will be due back before 4 p.m. on the Monday following the dance. If they are not returned the club will be assessed 50 cents for each day they are not returned.

Homecoming Day Co-ordinator Bill Bell reported on the progress of the event. He announced the

## Frosh, Men's Club Election Results

Victorious in the freshman runoff elections held last Monday were Betty Cunningham, treasurer; and Ray Welch, vice-president.

The newly elected officers defeated Joyce Toney and Richard Sargenti for their respective posts and, as will the officers elected earlier, will serve through the fall semester. At the beginning of the spring semester another election will be held to decide on leaders for that term.

Results of the Men's Club election were announced yesterday, and revealed that Gridder John Piini defeated his two opponents, Mike McCann and Ray Dyer, for the office of Men's Club vice-president for the year 1950-51.

following dates have been established: October 18, primary queen election; October 20, final queen election; October 27, coronation of the queen; and October 28, Homecoming Day.

Bell also said the Block "H" would be responsible for helping line up the floats on Geil Street before the parade. Alpha Gamma Sigma will be in charge of the queen elections. The title for the parade will be "Panther Paradise," and the theme of the floats will be to depict the various activities of campus clubs and organizations.

## WILSON NAMES OUTSTANDING PLAYERS IN FRESNO GAME

Free dinners were awarded to the four outstanding Hartnell football players in the Fresno game last week, Coach "Ab" Wilson announced. The meals were offered

by Youngman's Restaurant in Salinas.

Ev Skrine was named the best offensive back, Bob Omograsso the outstanding defensive back, Bill Ma-

## Men's Club Dance After Stockton Game in Gym

Climaxing their annual Men's Week, the Men's Club will sponsor a postgame dance in the men's gym tomorrow night following the Hartnell-Stockton football game. Other activities of the week included the Field Day, Whiskerino and Ribbonero judging, and the chicken dinner, all held on Wednesday.

Music will be provided by a jukebox, and admission prices have been reduced from those charged for orchestra dances. Prices for the dance are 50 cents for couples and 35 cents for stags. All members of the Stockton College and Hartnell College football teams will be admitted free.

Dancing will be held from the time the game is over until 1 a.m., and the club promises to have a good and varied selection of records on hand for dancers.

Committee heads for the dance tomorrow nights are as follows: music, Dick Kampa; publicity, George Jackson; decorations, Bob Childs; finance, Dick Kampa; and cleanup, Bob Burton.

## Homecoming Plans Moving At Favorable Pace

Interclub Council has been concentrating its entire time on the plans and has established rules to govern the events pertaining to Homecoming Day.

The selection of a Homecoming queen has been the most pertinent activity on the agenda because of the early date set for the election. The primary election, at which five candidates will be selected, will be held next Wednesday, October 18, under the auspices of Alpha Gamma Sigma.

It has been decided that a panel will be made of the pictures of all candidates and their sponsors will be listed. The panel will be posted at the polls for the benefit of the voters. The polls will be open in both elections from 8 to 3 o'clock.

Final queen selections from the five victors in the primary will be held on October 20. The coronation will be arranged by Alpha Gamma Sigma and staged for the student body on October 27.

Plans for the annual parade are also taking form and it looks like the parade should be large. Considering that the Homecoming will not fall on a holiday this year, and has nothing to be co-ordinated with, the plans have advanced well.

The theme chosen for the parade this year is the representation of Hartnell activities. The title for the parade selected by the council is "Panther Paradise." The title implies the many benefits and pleasures to be enjoyed by the students of our college.

guire the best offensive lineman, and Jesse Holt the best defensive lineman. This is the first such award made, but Youngman's will make the presentation each week of the 1950 season.

PROFESSOR HAWGOOD

## Prof. Hawgood Speaks on Britain Today at 11 A.M.

Dr. John A. Hawgood will address the Hartnell College student body today at 11 a.m. on the topic, "Policies and Personalities in the British Labor Government." The program will be given in the men's gym.

Professor Hawgood will stop off at Hartnell on his return to Stanford University from the University of California at Los Angeles, where he also spoke. He is at Stanford doing research work.

He has held faculty positions at universities in the United States and abroad and possesses a fine background in contemporary world governments. Dr. Luella Hall, dean of the general college, met Professor Hawgood at Stanford while doing research work at Stanford during the past summer, and she has arranged for his appearance here.

One of Professor Hawgood's chief interests in the sphere of government is in the field of intergov-

(Continued on Page 3)

## Hartnell College Rings Are on Sale

Ken Yoder, student ring salesman for Hartnell College, announced today that school rings will be on sale for the next two weeks. Today at noon the rings will be on sale in the main hall.

There are two sizes, a small one for women students, and a larger one for men. The rings come with three kinds of stones, onyx, ruby, and blue spinel. The prices range from \$17.55 to \$22.75, tax included.

A \$3 deposit will be required when the rings are purchased. The rings will be sent to the student's home C.O.D. Anyone who would like a school ring please contact Ken Yoder at any time.

## Christian Group Elects Officers

Officers of the Hartnell Christian Fellowship are Jim Kubik, president; Bob Stilwell, vice-president; Duane Tripp, secretary-treasurer; Wanda Beckham, interclub representative; Charles King, foreign missions.

At the next meeting on October 18 the guest will be Fred Brown, evangelist from Tennessee. He will speak on "Soul Winning." Everyone is invited to the meeting in room 17 at 12:10 on October 18.

**CAMPUSOLOGY**

By ELMER ANDERSON

Monterey is at it again already this year! The Panther has been painted! Fear not though, students of Hartnell, for the Salinas police department caught five M.P.C. boys. The bad part of it they were released later on.

Last year Hartnell got the raw end of the deal. Many male students were seen walking around with shaved heads. Yep, you guessed it! Monterey men had the clippers so they just had to try them out.

One thing about it, it is done all in fun and nobody gets hurt.

Barbara "Johnny" Johnson was going down the halls singing a song. What was the song? It was, "I Want to Be Loved."

Just as Johnny got to the part, "I want to be thrilled by you tonight," who should walk around the corner? Nobody else but Mr. McCallum.

Bill Casalegno, Warren Montagne, and Louie Folletta drove up to the Fresno game last Friday. From the rumors floating around they had a pretty good time.

They made it back in a 1940 Ford from Fresno to Castroville in two hours. They must have really been moving.

When Diane Lafranchi gets a baby sitting job she takes it seriously. She stayed in Salinas all night about two weeks ago sitting up with a baby. She left for her hometown, which is Gonzales, early in the morning. Diane was almost home when she fell asleep. When she woke up she was resting against a power pole. Luckily enough she wasn't hurt. Next time wait till you get home, Diane!

The rooting section for Hartnell turned out to be right in front of the Fresno rooting section. Just imagine how the Hartnellites felt.

So during half time they got up and started to run across the field. But the policemen chased them off so they ended up running around the field. Then they sat on the other side which was empty except for the Hartnell rooters.

**Deficiency Slips**

The deficiency slips will be sent out to students who are deficient in the first six weeks of school. This period ends today, Friday, October 13.

The teachers will have to have the deficiencies turned in by Wednesday, October 17.

Students will receive these slips on October 21 and 22.

HELEN WOLBER  
"The Heiress"

**Play Lead Is Versatile Person**

Miss Helen Wolber is playing the lead in the Hartnell Players forthcoming production, "The Heiress," November 2, 3, and 4.

Miss Wolber, a third-year student at Hartnell, is kept busy by many different activities. At the present time, she is serving as secretary for the interclub council, and as president of the dramatics club, Delta Psi Omega. She also holds a part-time job at the Salinas City Library. With all these activities, she must maintain a grade average that enables her to become a life member of the honor society, Alpha Gamma Sigma.

In the past, Miss Wolber has filled several difficult roles of the Hartnell stage. Last semester she capably filled the parts of the strange, mysterious housekeeper in "Enchanted Cottage," and the bewildered but sympathetic mother in "Years Ago."

In "The Heiress," Miss Wolber is cast as the awkward New York society girl of a century ago, Catherine Sloper. Her father, Doctor Sloper (Tom Rogers), scorns her because he feels that she caused her mother's death. Catherine falls in love with a fortune-hunter, Morris Townsend (William Nye), who forgives her for being dull and ugly because she is rich. He jilts her when he learns that her father has threatened to disinherit her.

Two years later, after Doctor Sloper's death, he returns, again trying to win her. Encouraging him, Catherine cleverly lays a trap for him.

Other members of the cast include Charlene Gustaveson, Maria; Bonnie Pilliar, Marian Almond; Carla Adams, Elizabeth Almond; Barbara Nye, Mrs. Montgomery; and James O. Smith, Arthur Townsend.

**Movies at Ski Club Meeting Today Noon**

Two motion pictures will be shown at the Ski Club meeting today at noon in room 25. One picture is "White Sport in Switzerland," and the other is a film showing the Hartnell Ski Club on one of its trips last year. The latter picture was taken by Floyd Kubik.

A trip to the Donner Pass area is being scheduled for December 27, 28, and 29 by the club. Membership cards for the club may be obtained for \$2 until November 4, when they become \$2.50.

# HARTNELL, STOCKTON TANGLE

Hartnell's gridiron Panthers return to the home field tomorrow night to tackle the Stockton Mustangs. They will probably enter the game on the low end of the betting due to the results of last week's activities. The game promises to be one of the outstanding contests of the year.

Last week the Mustangs were victors over San Mateo, and ran their winning column to two straight. The game was scouted by Coach Ed Adams, who brought back reports of a fearful band of running backs. Coach Adams reported that the Mustangs have a fine running team, and they will present a vicious ground game.

Indications in the Stockton ad-

vance notices show many very fast scatbacks. Some of the men to watch on the Mustang team are Roy Banducci, a big, husky fullback; and Henry Welch, John Burdue, Don Hay, and Phil Flock, all of whom are speed merchants running from the halfback spots. Flock, weighing 150 pounds, is registered as the read speedster of the outfit.

Hartnell may expect a lot of trouble when the Mustangs take the ball. Adams has warned that they will cause a lot of trouble in the middle of the line and also will be skirting the ends with much efficiency.

White jerseys with black numbers will decorate the Mustangs

## Sport Shorts

By BILL BELL

The author of these short ramblings was one of the poor unfortunates unable to attend the game at Fresno last week, but he did get to hear the play-by-play account over KDON. I'm not sure, though, that listening to the radio account was not unfortunate also.

The game proved to be a big disappointment to all loyal Hartnell fans, and the radio account proved to be a little difficult to follow. The announcer often got ahead of himself, and he had a hard time connecting the play-by-play comments.

I was pleased to hear the half-time interview of the Hartnell spotter sent to assist KDON. It was none other than the Panthers' injured defensive halfback, Dave McChesney. Dave proved his loyal enthusiasm by providing thunderous applause for the Panthers as they entered the stadium for the second half of the game. We certainly hope that Dave will soon be able to rejoin the club on the playing field.

We have a few additions to be made to the list of ex-Hartnell gridders who are carrying on their work in the sport for other clubs. George Cholovich is adding his skill to the Santa Cruz Sea Hawks. Those who heard the broadcast of the Stanford-Oregon State game may have been surprised, as I was, to hear that Jim Cordial is now playing end for the Oregon State Beavers.

Monterey Peninsula College was backed by the Monterey Peninsula Herald in the following manner: "M.P.C. Better Team, But Game Ended at Opportune Time." Also noted in the Herald was the fact that the only injury in the game for the Lobos was Joltin' Joe Grammatico. He seems to have had the unfortunate experience of losing his last and sole remaining front tooth.

when they enter the stadium Saturday. The Panthers will be led again this week by Bob Burton, Coach Wilson has announced. The team has been working hard to iron out the difficulties shown in last week's game.

The starting lineup for the Panthers will undergo some changes due to the injuries suffered last week.

## HARTS EDGED BY FRESNO 13-12

Hartnell ended up on the short end of a hard-fought, bruising game last Saturday night against the Fresno J.C. Rams. The game brought out the strong and weak points of the Panthers, and gave them the real test that they had been looking forward to. A few of the men were victims of the rough play of the game and may be a bit weakened for tonight's contest.

The game got off to a rough start and continued to be one of those games highlighted by penalties and flaring tempers. Actual fights were avoided, but there were several near breakouts in the course of the game.

### SEVERAL INJURIES

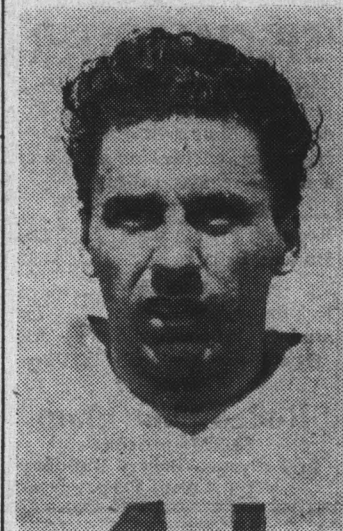

Several Panther men were sent to the sidelines during the game, but the only doubtful starter for this week's will be Chuck Jackson, the big left end. Another big man on the Panthers' defensive team, End Jess Holt, was severely hampered by a badly twisted ankle. Holt will probably be back in action again this week at his usual spot.

John Piini, left tackle, was the victim of a very questionable play early in the game. John was removed from the game and taken to the hospital where he received multiple stitches in a split lip. He asserts he was deliberately cleated by a Fresno Ram, and the general trend of the game tends to uphold his beliefs. Piini was sorely missed in the attempts for conversion, but will be back this week at his old stand.

### SKRINE OUTSTANDING

The man who played outstanding ball and carried the leather for the original score was Ev Skrine. Skrine broke through the Ram defenses and went all the way for a 62-yard score. Ev not only played fine offensively but was in there doing some fine defensive chores as well.

Fresno's passing attack seemed to baffle the Panthers and resulted in the Rams' two scores. The Rodgers-to-Ehrlich duo connected often to advance the Fresno cause. Hartnell passers were having trouble hitting their men, and found the Fresno pass defense to be too much. The Panthers spent almost the en-

EV SKRINE  
Versatile Halfback

tire last quarter in the air with the exceptions of a few fine running plays.

### PENALTIES HURT

In the opening half Hartnell received penalties where they hurt the most. One touchdown pass from Gerard to Fred Swan was nullified, and two long gainers were also called back. In the final period when tempers were flaring many unnecessary roughness penalties were doled out.

Bob Omogrosso was all over the field making stops for the Panthers. Bob turned in the most outstanding defensive job of the day in fulfilling his linebacking duties. Coach "Ab" Wilson praised the team for its efforts. He commended it for the uphill pull staged in the final half.

Final score for the Panthers came as the result of a bootleg by Gerard, a pass to Fred Swan, and a touchdown pass, again by Gerard to Chuck Jackson. The conversion attempt was foiled and Hartnell was not able to score again, and left the field one-point losers.

## Volleyball Gets Under Way

Five teams are vying for top honors in the 1950 intramural volleyball tournament. So far five spirited games have been played with many more to go. The five teams entered in the competition are the Hawks, Gassers, Hawaiians, Kaimanas, Sentinels, Delmars, and Weaker Sex.

### Coaches Attend Meet

Next Monday, Hartnell Coaches Ed Adams and Elliott "Ab" Wilson will join coaches from other N.C.J.C.C. schools at an athletic conference at Menlo Junior College to discuss and decide on a schedule for the coming basketball season of 1950-51.
